WORK EXPERIENCE

Seale & Associates | Washington DC. Summer Analyst

May 2025 - Aug 2025

- Helped manage \$1B+ in assets across buy & sell-side clients, supporting over 50% of active transactions.
- Contributed to financial modeling and client pitch materials that helped secure a new \$200M+ client for the firm.
- Managed 20% of the firm's quarterly industry & country reports, distributing market insights to 1,000+ newsletter subscribers and clients.
- Oversaw client communications, deliverables, and financial modeling in a high-demand environment.

Vector Casa de Bolsa | Monterrey, Mexico. Investment Banking Intern

May 2024 - Aug 2024

- Assisted the Sell Side M&A team in valuations, refinancing, and sales negotiations.
- Handled price negotiations for the sale of a \$60m+ client with multiple prospective buyers.
- Built financial modeling, accounting, and due diligence skills by analyzing company financials, reviewing transaction materials, and supporting deal execution workflows.

Pulsar ML | Monterrey, Mexico. Sales Intern

May 2022 - Aug 2022

- Assisted the sales team by analyzing competitors, products, and pricing strategies.
- Supported in client meetings by presenting customers with insights on product offerings, pricing structures, and expectations for our AI solutions.

SKILLS

Technical Skills: Financial Modeling, Market Analysis, Statistical Analysis, Python, Java, R, SQL, HTML/CSS

Tools: Excel, PowerPoint, Git/GitHub, VS Code, Power BI, Tableau, Jira

Languages: English (Fluent), Spanish (Fluent), French (Elementary)

TECHNICAL PROJECTS

Prediction Markets and Whale Trades Undergraduate Thesis

Jan 2026 - Apr 2026

- Studied the effects of large volume traders, "whales", on prediction market prices. Looking for meaningful price disruptions after trades occurred. Uncovered a resilience to price shifts in prediction markets due to efficiently aggregated information from market participants.
- Project required skills in data wrangling, processing, statistical modeling, and financial market interpretation to communicate and uncover both empirical results and broader implications.

VOLUNTEER EXPERIENCES

IGUBC

Jan 2025 - Present

- Volunteer as a counselor to mentor primary school students from underprivileged areas of Vancouver, providing guidance and encouragement to help them pursue higher education.

Vancouver Thunderbirds Track Club

Sep 2022 - Present

- Represented both the Vancouver Thunderbirds and Team British Columbia in cross country and track & field.
- Volunteered as a coach for primary schools in the Vancouver area, coordinating training sessions and organizing events to promote athletics and healthy habits among young students.
